What Does it Mean to be a part of a Competitive Team?

Commitment

There is a level of commitment required to be a part of the Legacy Dance Company for the child and their family. This includes regular attendance, remembering choreography, participating in team events, and more. If at any time you are not doing your part as a productive member, you will be suspended from the Dance Team.

Placement Policy

During Dance Intensive, faculty will carefully place students in groups for the year. It is important to remember that a lot goes into this decision, age, height, style, technical abilities, and more. Should you have questions about your child's placement, you may contact the director to discuss. Once team placement decisions are made, changes will not be made throughout the year. Should your child desire more extensive training, we are happy to discuss private lessons with a member of our faculty.

We encourage all our students to work hard and become the best dancers they can be, but they must train at a suitable level. Students and parents should understand that corrections given by a teacher are meant to help the student to grow. It is never made to hurt or discourage the student. Teachers hope that when corrections are given to dancers, the dancer is going home and working on those corrections and coming back ready to learn more or with clarification questions. This is how progress is made and how learning is accomplished.

Behaviour Expectations

Legacy Dance Company prides itself on having a friendly, family-like atmosphere. We want our dancers to flourish not only as technical dancers but also as strong individuals.

We understand that sometimes conflicts arise and ask that these be dealt with directly between the dancer/their family, their teacher and/or studio director by appointment.

We ask that all conversations in the studio be kept positive and upbeat for our students' learning. If this is not possible, we ask parents/students to leave those areas.

Additional Opportunities

From time to time, our instructors must make decisions whereby certain students are chosen for solos, competition groups, lead roles or auditions. These decisions are not easily made and are thought out carefully.

The parents and teachers must work together to help students understand that not all students can be chosen for all things. We want our students to be happy for each other and not to think of their teammates as competitors. It is our intention to teach the students to learn from and be motivated by each other.

Attendance

Simply, attendance is mandatory. Teachers will not slow the pace of their classes to accommodate a student who misses classes. Repetitive absence may result in being removed from an upcoming competition or recital.

Please refrain from booking any family vacations or other planned absences during the months of January - May. These months are critical for your child's and their team's success at competitions.

- All extra routines include additional costs (competition entries, choreography fees, costumes) as well as require additional time at the studio
- All efforts will be made to maximize dancers' time at the studio, adding extra routine practice before/after other classes. But there is the chance that dances will rehearse on a different day of the week based on the teacher's schedule.

Dance Intensive

Dance intensive kicks off each new dance season. It is an opportunity for students to get back into the studio, try out new styles, and begin their training for the season.

Dance Intensive is mandatory for all registered competitive dancers. Prospective competitive students, either from our novice program or outside of Legacy Dance Company are encouraged

to attend the intensive as well. Teachers will use this time to offer prospective students a spot on the competitive team, as well as consider the best placement for a dancer in our mini/junior/intermediate/senior groups.

The 2022/2023 intensive is September 6, 7 and 8 from 5 - 8.

Class Expectations

Arrival Time for Class

- Students should arrive in appropriate attire, 5 minutes before their first class
- If a student is consistently late to class, a meeting will be requested to re-evaluate commitment to the competitive company.
- Please note that the studio opens a 15-minutes before the first class of the day

Dress Code

All approved dancewear can be purchased at Flair Athletics.

- Ballet: ballet bun, ballet tights, bodysuit and ballet shoes
- Jazz/Lyrical/Tap/Contemporary/Musical Theater: bun or ponytail with fitted dance wear (bodysuit, bootie shorts, leggings, tights, yoga tops)
- Acro: bun or ponytail with fitted dance wear
- Hip-hop: bun or ponytail with fitted dancewear

Reminders:

- Please leave all jewelry at home. Not only is it a distraction when worn, but it can be lost or forgotten about.
- No loose objects or clothing that may distract the student or teacher
- Dancers are not permitted to wear jeans, sweat pants, sweatshirts, hoodies or outdoor shoes to any dance class. Students not dressed appropriately will participate at the instructors' discretion.

After October 1st, students without proper clothes or shoes will not be able to participate in class. This is to ensure the safety of both dancers and teachers.

Dance Bag Supply List

- All dancers should have a dance bag that they bring to every class.
 - Suggested items include: Hair ties, Bobby pins, Hair nets, water bottle, Dance shoes & Extra Tights.
 - Dancers MUST have the appropriate clothing and footwear for classes
 - Dancers are encouraged to label everything they bring to class.
- Cell phones and other devices can be helpful for recording routines and assisting students when practicing at home. If a student wishes to bring their device to class, it must remain in their bag until they are instructed to bring it out.
- Legacy Dance Company cannot be held responsible for lost or stolen items.

Suitable Classroom Behaviour

Excessive talking or other misbehaviour will not be tolerated and may result in the student being asked to observe class instead of participating. All students and parents must respect all instructors' class structures and teaching styles.

While instances of disruptive behaviour or derogatory comments about others are extremely rare, we must point out that such behaviour will not be tolerated at Legacy Dance Company. Continued issues with a dancer's behaviour will result in the dancer being asked to leave the studio and may include permanent dismissal in extreme cases. We will not tolerate any forms of bullying from dancers or parents and will take appropriate action when dealing with such behaviour. Students will be expected to take corrective action before being allowed back into the class.

Similarly, in the unlikely event that there is an issue with the parent, both the dancer and parent will be asked to leave the studio until the parent's behaviour is corrected and suitable reconciliation has been made.

Parent Observation

All classes are closed to observers. Parents may be invited in to watch for the last 5 minutes of class at the teacher's discretion. Parents are welcome to contact the office/the teacher and request to view the class at any time. The closed-circuit tv in the lobby is always on for class viewing during class time.

Food and Drink

- Due to severe allergies, Legacy Dance Company is a peanut-free facility. Absolutely no nuts or nut products are allowed in the studio.
- Only Water is allowed during classes and in the studio
- Please ensure that you clean up after yourself following any snacks

Absences

If a dancer will be away or late for any reason, please phone the studio at least one hour before the scheduled class to let us know. Extenuating circumstances (i.e. bad weather) will be taken into consideration.

If your child is excessively absent for any reason, they may not be allowed to participate in our performances or competitions. Excessive is defined as missing more than 4 classes in our 9-month dance season. If a student misses more than 4 classes without written notice, the studio reserves the right to terminate lessons.

Excused Absences

Excused absences are very limited but may include: contagious illness, doctors-notes, a death in the family and CERTAIN school functions. Those with potential Covid symptoms should remain at home and be tested before returning to the studio.

Unexcused Absences

1. Work - you have plenty of notice to rearrange work schedules!
2. Doctor's Appointment- please schedule these on off days.
3. Couldn't get a ride, was grounded, had homework, didn't know about it, etc.
4. Simply "not feeling well", and injuries - the student is still expected to attend class and take notes, even if they are not dancing.

These excuses all come down to one word, responsibility. We understand things happen and we will take individual circumstances into account, but the studio/competition team director(s) have the final say on whether the absence is excused.

Extreme Weather/ Unexpected Closure/ Class Cancellations

If the studio is unable to hold classes due to extreme weather or other events beyond our control, the missed lesson(s) will be rescheduled at a later date. Please stay up to date with our Facebook/Instagram page as it is the most immediate form of communication.

Classes may be canceled during the dance year at the discretion of the teacher & director, notice will be provided via email and/or through your team's Facebook page. All classes will be made up during the makeup period or at another date set by the teacher.

Solo, Duet, Trio and Small Group Absences

If attendance becomes an ongoing issue in regular classes and a dancer is a part of a duet, trio, and small group or has a solo, the dancer will not be allowed to continue with the extra routine.

Regular attendance is reported to the office on a regular basis and communication amongst the teachers is always ongoing.

Competitions

Competition Schedule

See page 11 for a full list of competitions and their dates. Please keep all dates available as dancers may compete at any time throughout the competition. Please note that dance-offs, overall awards and other performance opportunities will often occur on the evening of the final day of the competition. You are required to attend if your child's group performs during one of these events.

This year we will be competing in 4 competitions (3 in town + 1 out of town), with 3 optional competitions (2 in town + 1 out of town).

Note: the mini and junior team competition schedule is still being finalized. The mini team will compete in 1 - 2 local competitions. The junior team will compete in 3 - 4 competitions (possibly including an out of town). A final decision will be made by November 1st.

Expectations

For all competitions, dancers are expected to be at the venue, in full hair and makeup, at least one hour before their first dance. A hair and makeup tutorial will be provided in advance of the competition season.

There is no excuse for missing costume pieces, being late or unprepared for competition day.

Out of Town Travel (Within Canada or the United States)

Legacy Dance Company competes out of town at least once per dance year. Every member of the competitive team is required to attend this competition. Information about the selected out-of-town location will be communicated as early in the season as possible to allow for planning.

All competitive dancers must stay at the hotel where the group booking is made and abide by the itinerary provided. All competitive dancers are to travel with their full tracksuit (jacket & pants) and have all pieces to their costumes.

Cash Awards/Dance Scholarships

All competitive dancers who attend participate and potentially win cash awards at either the local or out-of-town competition understand that all cash awards are issued directly to the studio and will be used at the studio owner's discretion to benefit the studio (i.e., renovations, improvements, workshops etc). Cash awards are directly issued to the studio/director by the competition in order for the funds to be used at the studio/director's discretion. Cash awards are NOT scholarships or bursaries and recognize the success of a team effort (dancer, studio, teacher etc).

All competitive dancers who have a paid membership to an organization (i.e., Lakehead Music Festival), submit an application or receive a dance scholarship that is directly issued to the dancer may use it at their discretion with the hopes that the funding is put towards their continuing dance education. Dance scholarships are issued directly to the specific dancer based on either an obtained paid membership, application to receive a scholarship or a dance-directed scholarship.

Refund Policy

Upon receipt of written notification, our refund policy applies as follows:

- Full refund within 7 days of Registration signing, if before classes are attended (Term One Only)
- There will be no refunds on costume deposits once costumes have been ordered.

Term 1 is non-refundable. Withdrawal from Term 2 or Term 3 must be written to paymentsldc@gmail.com one week before the start of the next term. Failing to provide a written request for withdrawal may result in term fees continuing to be withdrawn.

Legacy Dance Company reserves the right to terminate lessons to any student without notice. In such cases, a full refund for unused lessons will be given.

Fundraising

Fundraising is mandatory as a member of the competitive team. We run two types of fundraising events, studio fundraisers and individual fundraisers. Funds raised through studio-wide fundraisers go toward studio needs (banquet, recital, facility needs, etc.). Individual fundraisers are for YOU! These fundraisers help to offset your dance fees (costumes, competition fees, tuition, studio clothing, competition makeup and more!)

There are two ways you can contribute to your fundraising.

1. Pay a non-refundable fundraising fee (Payable to the Parent Association) before the end of September. This allows you to participate in all fundraisers throughout the year. The benefit of this option is that your family and friends who participate in fundraisers will be helping to offset your dance bill.
2. Pay a non-refundable fundraising fee (Payable to the Parent Association) and pay the higher “non-fundraiser” ticket price at the year-end banquet. The benefit of this option is that you do not have to worry about fundraising throughout the year.
